**TED Design International** of Toronto is proud to announce the winner of the 14<sup>th</sup> Best of Canada Design Award in Hospitality for its interior design project – **Dragon Pearl Buffet in Toronto.**

The inspiration and design direction was to fully utilise reclaimed teak from 100 year old, decommissioned, wooden fishing boats from south China. The approach was to create whimsical unique hand crafted fixtures and furnishings. Depending on size and condition, the wood was used to make either tables, chairs, screens and other furniture, flooring and wall surface materials
